

# FAIRFAX COUNTY POLICE DEPARTMENT

## ACTIVITY REPORT

JULY 2, 2010

ACTIVITIES REPORTED THROUGH JUNE 30, 2010

PUBLIC INFORMATION OFFICE -- 703-246-2253

---

There are three sections in this report: Section I: MAJOR INCIDENTS; Section II: PROPERTY CRIMES; and, Section III: ANIMAL RELATED INCIDENTS. Sections are appropriately identified. Within the sections, incidents are organized by station, then by type of offense. They are listed alphabetically by street address.

Addresses shown indicate blocks and not specific locations. Thus an entry showing Chain Bridge Road 4100 would mean the 4100 *block* of Chain Bridge Road, not the address 4100 Chain Bridge Road.

An asterisk (\*) before an item indicates that a news release was distributed on that offense.

**Section I: MAJOR INCIDENTS****SULLY DISTRICT STATION (DISTRICT 1)**

**ATTEMPTED BURGLARY:** A home in the 14400 block of Four Chimney Drive was nearly burglarized on Friday, June 25 around 10:25 p.m. An investigation determined someone had broken a door but was not able to gain entry into the home. A suspect was seen fleeing the area toward Newton Patent Drive. He was described as white, about 26 years old, 6 feet tall and 160 pounds. He had brown hair and was wearing light-colored shorts, a blue green T-shirt and light-colored baseball cap.

**MOUNT VERNON DISTRICT STATION (DISTRICT 2)**

**\*SEARCH AND RESCUE TEAM:** This week, the Fairfax County Search and Rescue Team located an endangered missing woman who had wandered into the woods. Their efforts undoubtedly saved her life. Since its inception, the Search and Rescue Team has saved three lives and contributed to the resolution of at least two homicide cases. The team's primary purpose is to assist in locating endangered missing persons, but they are often called on to locate weapons, suspects or other evidence of major crimes in wooded or inaccessible areas. The team works closely with detectives, the K-9 section's bloodhounds and the helicopter unit and uses a variety of equipment such as thermal imagers, dirt bikes, bicycles and ATVs. The Search and Rescue Team has spent anywhere from 30 minutes to upwards of two days conducting a search. The team is utilized about four times a year and consists of 40 officers who, in addition to their full-time assignments, respond when needed for their specialized skill. Throughout the year, they conduct training exercises to maintain their skills and improve search techniques. Given the diverse terrain of nearly 230,000 acres that make up Fairfax County, the Search and Rescue Team is an invaluable resource to public safety officials.

**BURGLARY:** A business in the 7800 block of Richmond Highway was burglarized some time between 11 p.m. on Sunday, June 27 and 3:42 a.m. on Monday, June 28. The ATM had been broken into and money stolen.

**\*MISSING JUVENILE:** The two teenagers missing since Friday, June 18, were located in good condition in Columbia, South Carolina during the evening hours of Wednesday, June 30. They have been returned safely back to Fairfax County. The case is still under investigation.

Police were asking for the public's help in locating the girls, Tiffany Ghani, 16, and Tram Hoang, 15, who spent the night together at a parent's apartment in the 1600 block of International Drive. Sometime after 10 p.m. the girls left the apartment and were discovered missing around midnight. Around that same time a young girl and two males were seen leaving the apartment complex in a dark-colored car. Police were immediately called to the home. An investigation determined the girls left under voluntary circumstances.
